**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Several years ago I was getting my land-line phone service and DSL from ATT. Phone calls outside my area code were expensive, and I could only get an internet speed of five MBS for a price I could afford.

After switching to Sonic Net, an independent broadband provider, I was able to get free nation wide telephone service and an internet speed of sixteen MBS all for a price substantially less than I was able to get from ATT. Sonic provided additional services, such as FAX, at no extra cost.

Please do not take this service away from me.
